

NEW FOR 2019

Lets the kids have fun in a box creating unqiue memories to last a lifetime.

Parents choose number, format and size of final boxes.

Prices starting from £7.

GREENSCREEN Parents can now choose their own backgrounds, colour and style

A twist to our already successful multi pose photography. A mix of posed and fun shots just as we already do but now parents will be able to swop the white background for a colour of their choice or even a pictorial background. We will supply a swatch sheet and a small editing charge will apply for background changes.

From February 2019 all nurseries and schools will be offered either Kidz Funbox or Greenscreen.
